The L. T. L. children were given a masquerade at the Knights of Pythias' Hall last Thursday evening. About forty of the members and their parents and friends made the evening a very enjoyable one. The jolly little crowd was dressed to represent various people. About \$2.50 was realized which goes to the L. T. L. treasury. The parents are always cordially invited to attend any of the entertainments given by the L. T. L.—as their attention and influence along such lines cannot prove anything but helpful to the children. All members of the L. T. L. are urged to be present at the next regular meeting and bring a friend who has never attended.

Proctor Coming Thursday.

To-morrow afternoon will be held the principal Republican Rally in Lamoille County, when the people of this vicinity will be given a chance to see and hear Fletcher D. Proctor, the Republican candidate for Governor. The other speakers will be Hon. Frank Plumley of Northfield and Hon. Charles H. Darling of Burlington, former Assistant Secretary of the Navy. If the weather is pleasant there will doubtless be a large crowd and in order to more suitably accommodate all, it has been decided to hold the meeting in Academy Park. Should the weather be unfavorable the speeches will be made in Town Hall. Music will be furnished by the Morrisville Military Band.

Farmers 8, Mud City 3

Last Saturday afternoon an interesting game of baseball was played on R. J. Caswell's farm in the west part of town, when the farmers in that vicinity trimmed an aggregation from Mud City by a score of 8 to 3, the game having been called at the end of the sixth inning on account of a disagreement, when the vanquished team shouldered their bats and returned to Mayor Chaplin's domain, "adder but wiser sports."

It was a great game from start to finish and what the players lacked in skill was made up in enthusiasm. The battery for Mud City was Carroll Tyndall and Frank Hinds and for the farmers Arthur Douglass and Napoleon St. Louis acted in that capacity. "Polley," who will be remembered as one of the old No-name stars, caught a great game, although he has not been in the game for nearly twenty years.

A Representative Quartet

The time limit for filing nomination papers by candidates for Representative expired Monday night and at this writing indications are that there will be at least four corners to the fight in Morristoryn. The Republican candidates are Thos. C. Cheney, straight Republican, Geo. W. Clark, straight Republican, Geo. I. A. Smith, Independent Republican, the above gentlemen having filed their nomination papers at the Town Clerk's office previous to Monday. All three have been previously mentioned in this paper in connection with the office. The Democrats also intend to have a hand in the game, and at their caucus last Friday night put in nomination the name of A. G. Small, one of Morristoryn's hustling and best known business men.

Ten cents will be the price for the social and cream but the concert is free. Miss Jessie Wheeler, the well-known reader, is expected to arrive in town to-night, and will probably take part in the program.

Lamoille Valley Fair, August 28, 29 and 30, 1906.

Dr. E. D. Collins of the Johnson Normal School, with his wife and child, were visitors here on Tuesday.

With four candidates for Representative in the field it looks as though there would be "something doing" between now and election.

"With the weather unfavorable to open air." Guess the schoolmaster was abroad when the Websterian brain around the corner penned that! James Perry has been making extensive repairs upon his residence on the Plains—raising the roof of the main part and putting some light and airy chambers therein.

The family of Charles S. Gleed of Topeka, Kansas, is expected to arrive this week for the annual summer visit. They will again occupy the Jackson residence on Main street.

George W. Clark returned the past week from his trip to Minneapolis and reports a delightful time. George says that he did not let the coming election worry him, as he thought his friends would make up their minds to vote for him, if they wanted him, whether he was in Minneapolis or at home.

Towne-Merrill

This morning at five o'clock, at the home of Mr. and Mrs. Joseph S. Banister on Main street, occurred a quiet and very pretty wedding, when their daughter, Miss Nina May Merrill was united in marriage to Gerald Irvin Towne, son of Mr. and Mrs. George E. Towne of this place. Rev. Dr. L. P. Booth of Stafford, Conn., formerly pastor of the Universalist church here, was the officiating clergyman, the ring service being used. Dr. Booth also officiated at the marriage of both the parents of the bride and groom, the same service being used on each occasion. The ceremony was solemnized in the parlor, in the presence of the families of the contracting parties and a few invited friends. The room was tastefully decorated with evergreen, asparagus and golden glow, the couple standing under an archway, which formed a part of the decorations. Miss Rena, a younger sister of the bride, acted as flower girl. The bride was attired in blue silk, and wore for a traveling suit, light gray.

Following the ceremony a wedding breakfast was served, during which the bride and groom separately made excuses and before the guests were aware of their absence, they were nicely started on a carriage drive to Hardwick, from which place they took the train for a wedding tour, which will include Old Orchard, York Harbor, Me., and Boston. Mr. Towne and bride expect to return in about two weeks, when they will take up their residence at the home of the groom's parents, where Gerald is interested with his father in their large milk route business.

The couple were the recipients of a large number of valuable presents, among which was a quantity of solid silver, including knives and forks and also a chamber set and other furniture and several pieces of linen.

Both parties are well-known and very popular young people of this village and have the best wishes and congratulations of a host of friends. The groom was a graduate of Peoples Academy in the class of 1903 and the bride was also an attendant at that institution and has since taught successfully in town.

HYDE PARK.

Hot—both the weather and politics. Thad Cormier and family have moved to St. Johnsbury.

Mrs. Philo Cleveland of Claremont, N. H., is visiting relatives in this town.

Mrs. James Brown is spending the week at the home of her daughter in Belvidere.

Frank P. Keele returned from his western trip Monday last. He reports a fine time.

Mrs. Walter Strong and daughter and Norma are in camp at Elmore for a few days.

Mrs. Mary Leonard and children are spending a few days at Wolcott, guests at S. A. Fife's.

The McFarland girl is now boarding at the home of Thos. Moore, where she is to remain for two weeks.

Miss Helen Waterman returned from camping at Elmore Monday evening highly delighted with her outing there.

Fletcher Proctor and Geo. H. Prouty were here a short time last Friday, on their way to Waterville. They met several of our citizens at the Plains.

We hardly believe the Republicans of this town care to be dictated to by a Democrat. They are able to manage their own affairs without the help of the enemy.

Sid Newcomb is building a new barn, 20x72. Leslie Minor is the master mechanic. It looks as if prosperity was smiling on Sidney in a right smart manner.

Mrs. Jonas Stevens went to Queen City Park Saturday to spend a week. Mrs. Frank Ulrich and daughter, Miss Rosie Cheney, from River Falls, Wis., were guests at the home of M. P. Cheney a few days the past week.

Byron Camp and Arthur Pease returned Monday from a week's visit at St. Johnsbury, Danville and other interesting points, much improved in health and general appearance. The outing was of great benefit to them.

The water pipe has been placed through Main street. There are now four hydrants thereon: One at the east end of the street, another at the court house, another in front of the Cong'l church and the fourth at the west end of the village.

The nomination of Clifton E. Denio as an Independent for Representative has been filed with the Town Clerk. The names on the paper are V. L. Blodgett, F. B. Nobles, M. H. Goodhue, H. C. Lanpher and Clarence Sinclair.

The ladies of the Home Culture Club have the matter of a lecture course under advisement. The sum and substance of the whole affair is how many tickets can be sold. If enough are taken a course will be provided; otherwise, nil!

Miss Jennie Messer of New Haven, Conn., and Mrs. Frank Hazard of No. Hyde Park were here a short time Tuesday. Miss Messer is "Instructor of Sewing" in the public schools of New Haven and has thirty-five schools with some 2,000 pupils under her charge.

About twenty-five of the music scholars and friends of Miss Doris Denio spent Saturday last at the summer camp of her father, at Point Windermere, Lake Elen. The day was fine and every minute was full of pleasure for the party, who were entertained to a high degree by their hostess.

The Democratic caucus, which followed the "Rally" last Saturday evening was organized by the election of W. D. Strong as Chairman and O. N. Campbell Secretary. The vote for Representative showed John H. Gray to have eight votes, E. L. Noyes three and C. E. Denio three. Mr. Gray was made the nominee and promised to serve the town to the best of his ability if elected.

"We" had the pleasure of riding down to Waterville with several dignitaries, last Friday afternoon in Geo. Morse's fine Winton auto. The machine is one of the finest hereabouts and just the thing for hill climbing. Many automobiles have weak heart and lung action, but any expert listening to the cough of this car while going up an incline can tell that there is power to spare. Mr. Morse handles his machine like the expert chauffeur that he is.

The "Fusion" rally at this place last Saturday evening drew out an audience of about a hundred, a considerable portion of that number being Proctor Republicans, while there was a good sprinkling of ladies. The Band played several selections, which were heartily applauded. The meeting was presided over by E. L. Noyes and the speakers were Lawyer Howe of St. Johnsbury and a youth by the name of Nay from Jericho. Mr. Nay spoke very briefly, while the greater part of the evening was taken up by Mr. Howe. Neither speaker created any enthusiasm. The speeches were a tirade against the "Machine."

Roger Hulburd the Republican Nominee

One of the largest and most enthusiastic Republican caucuses ever held in this town was that of Monday evening last, when that party assembled for the purpose of placing in nomination a candidate for Town Representative. Fully 150 were present. The caucus was called to order at eight o'clock by Col. E. B. Sawyer, chairman of the Town Committee, who read the call.

L. H. Lewis was chosen chairman and W. T. Thorp Secretary. Col. Sawyer, G. B. Allen, Hartley Souther and R. S. Page were appointed a committee to confer with a like committee from the Democratic party and arrange a Union Justice Ticket. It was voted that the ticket these men might select would be the ticket of the party.

Nominations for Representatives being in order, Capt. Waite, in a few very felicitous remarks, presented the name of Roger W. Hulburd, which was seconded by Geo. B. Allen. An opportunity was given for other names to be presented, but none other being made the nomination of Mr. Hulburd was made with a rousing "Aye." On the call for "Noes" a dead silence prevailed and Mr. Hulburd was the unanimous nominee of the party. The nominee being called upon made a stirring ten minute speech, in which state issues were touched upon as well as what the town might expect of him if elected. The address was received with hearty applause. After a few remarks by Col. Sawyer and the chairman the convention adjourned.

After the adjournment the committee on Justices met and adopted the present list of Justices, which are: A. V. Wiswell, G. B. Allen, Amos Davis, S. B. Waite, F. H. Strong, G. P. Randall and J. C. Crocker.
